Help Needed November
<ul style="list-style-type: none">• Need a Communications Committee Chair to communicate and represent Blaster to Intergroup. It would be helpful to have one or two 'spotters' who prowl the various websites associated with OA to find suggestions for our announcements, events and recovery materials. Does not have to be a formal undertaking, just when you see something send a suggestion to mailto:oautah.website@gmail.com. Of course, a dedicated spotter or two would be great!
<ul style="list-style-type: none">• Spread the word at your meeting about the blaster. New users sign up on the website (oautah.org). This is a pretty low-key email subscription of 5 or so emails a month, but it will keep you informed of happenings and news in the OA world.
